

ROLINE Wall Mount Gas Spring Arm, 2 Joints, silver color

-
- Technical drawing of the M1000 robot arm, showing dimensions and degrees of freedom. The drawing includes the following specifications:
- Dimensions:**
 - Base width: 76
 - Base height: 170
 - Arm length: 203
 - End effector length: 63
 - End effector width: 120
 - End effector height: 100
 - End effector depth: 75
 - Base mounting hole offset: 20
 - Maximum reach: 200-500
 - Degrees of Freedom (DOF):**
 - Base rotation: 180°
 - Shoulder rotation: 360°
 - Elbow rotation: 360°
 - Wrist rotation: 360°
 - End effector rotation: 180°
 - Arm extension: 30°
 - Arm retraction: 25°
